

DR. MELISSA ANN PIGOTT
DIRECTOR OF RESEARCH
MAGNUS RESEARCH CONSULTANTS, INC.
1305 N.E. 23rd Avenue, Suite 1
Pompano Beach, FL 33062
954/784-0110
954/784-0211 Fax
E-mail: mpigott@magnusweb.com

Professional Experience:

Director of Research; December 1993 - present

Magnus Research Consultants, Inc., Pompano Beach, Florida

Co-owner of organization that conducts litigation, marketing, and organizational research. Responsible for: all research functions of the organization, generating and maintaining client business, and managing staff and daily operations.

Adjunct Professor; April 1997 - April 2005

College of Law

Stetson University, St. Petersburg, Florida

Special lecturer in Professor W. McKinley Smiley's medical jurisprudence and advanced civil trial skills classes.

Adjunct Professor; January 1995 - December 1999

Center for Psychological Studies

Nova Southeastern University, Fort Lauderdale, Florida

Taught students in doctoral and masters programs in areas of social psychology, cognitive psychology, personality, and research methodology. Supervised student research.

Senior Litigation Psychologist; October 1991 - December 1993

Trial Consultants, Inc., Miami, Florida

Conducted research studies in the area of civil litigation. Research was both qualitative and quantitative, and high volume in nature. Responsibilities included: supervising research team; consulting with clients on improving trial strategies; jury selection; and designing, conducting, and reporting research.

Senior Research Associate; August 1989 - September 1991

Litigation Sciences, Inc., Atlanta, Georgia

Conducted research studies in the area of civil and criminal litigation. Clients were typically Fortune 500 companies and their attorneys. Research encompassed juror decision making in all areas of litigation. Focus of research efforts on assisting attorneys prepare trial strategy.

Director of Marketing Research; November 1984 - August 1989

Baptist Medical Center, Jacksonville, Florida

Conducted health care marketing research in areas such as community image, medical staff opinion, and patient satisfaction. Internal research performed on employee assistance programs, organizational climate (morale), and assessments of services and products. Also performed demographic analyses and conducted various multi-company research projects.

Dr. Melissa Ann Pigott

Page 2
